

RIM OF THE WORLD

Up, up and away to the top of Ohio's Windy 9 and set your gaze upon the "Rim of the World" along the famous Route 78. Wayne National Forest, Burr Oak State Park, and the Stockport Mill highlight one of America's most popular rides! Don't forget to check out the last hand-operated lock in the United States at the Stockport Lock and Dam.

Length: Approximately 87 miles
